A.S INDUSTRIAL FINISHING CONCERN

Company Profile

A.S. Industrial Finishing Concern (ASIFC) is a reliable industrial services firm specializing in surface preparation and protective coating services to steel structures and massive oil storage tanks. Since its inception, A.S. Industrial Finishing Concern has remained committed to service excellence in terms of good workmanship, timely completion of tasks, and excellence in general.

Over the years, the company has improved its operational efficiency through the development of its skilled workforce and the acquisition and upgrade of equipment and machinery necessary to meet the challenges and changing industry requirements. The company then entered the fabrication and erection sector, successfully delivering many projects in both main contracting and subcontracting works. ASIFC achieves this through creative and precise skills.

ASIFC has a well-equipped workshop where the latest in machining technology is used, and the organization is able to undertake projects of various sizes with accuracy and reliability. The organization has been able to keep the highest standards in terms of quality and performance.

Customer satisfaction continues to be at the heart of ASIFC's values. All projects adopted and delivered by the company are competitively priced, efficient, and timely, which reflects the company's commitment to fostering long-term relations and sustaining its reputation in the industry.

A.S INDUSTRIAL FINISHING CONCERN

Our Expertise:

- Fabrication, erection, Sand Blasting and Painting of Storage Tanks
- Fabrication and erection of Structure for Pipe Racks, Shelters & Vessels
- Fabrication and erection of Steel Structures & Piping work
- Fabrication and erection of Heavy fuel oil storage tanks.
- Fabrication and erection of underground fuel storage tanks.
- Fabrication of stainless steel tanks for haulage of Paraxylene and Acetic acid
- Fabrication and welding of spud poll pipe joints
- Fabrication and erection of Over Head Cranes & Runners.
- Sand Blasting and Protective Epoxy Coating of Steel Structure
- Sand Blasting and Epoxy Coating for Aviation fuel
- Sand Blasting and Coaltar Epoxy Coating of underground pipe line
- Sand Blasting and Internal Epoxy Coating of Aviation Fuel Carriers
- Sand Blasting and Epoxy Coating of Drinking Water Carrier
- Sand Blasting and Internal Epoxy Coating inside of barrels for haulage of Caustic Soda
- Sand Blasting and Painting of Epoxy Coating inside the Hauler Barrels
- Sand Blasting and Epoxy Coating of Edible Oil Storage Tanks
- Refurbishment (Dismantling & Installation) of Pickling Plant.
- Refurbishment of MEG Storage Tanks
- Isolation of Ducting
- Tanks Cleaning and preparation for next cargo (Fuel & Edible Oil)
- Heavy Generators installation.
- Maintenance of Gear Boxes, Agitators, Pan Filters, Receivers and Vacuum Pumps.
- Design, Drawing, Fabrication of Lighting Poles
- Tape coating of underground pipe line for sweet water and waste water.
- Glue Application and Tape Coating

A.S INDUSTRIAL FINISHING CONCERN

Our Esteemed Clientele:

- Engro Energy
- Descon Engineering (Karachi Manufacturing Works)
- Fatima Fertilizer
- Bosicor Refinery
- British Petroleum
- Weather Ford
- Hutchison Group
- Pakistan Navy
- PRO Gas LPG Terminal
- Zarschob (Pvt) Ltd
- Integrated Engineering Services
- SEFEC Engineering (Pvt) Ltd
- Imperial Commercial Co.
- International Industries Ltd
- Puri Termina I Ltd
- Pharma King Industrial Co.
- Ibrahim Fibres Ltd
- Siddique Sons (Pvt) Ltd
- Siddique Sons Tin Plate Plant Winder
- Siemens Pakistan Limited
- Bawani Gas Ltd
- Automobile Corporation Of Pakistan
- China International Water & Electric Corp.
- KSB Pumps
- Mehran Sugar Mills

G-2 Block 12 Bombiya Arcade Gulistan-e-Johar Karachi

A.S INDUSTRIAL FINISHING CONCERN

We are proud of Our Projects:

- Engro Energy
- Engro Energy 175MW Power Complex
- KICT Phase III Expansion Project
- Pakistan Navy 5–14 Berth Refurbishment Project
- Pro Gas LPG Terminal
- Ghandhara Nissan Ltd. (Car Plant)
- CKD Storage Yard for Indus Motor Co. Ltd.
- Novatex (Pvt.) Ltd., Landhi, Karachi
- Gul Ahmed Power Plant, Karachi
- PAF Base Faisal, Karachi
- Puri Terminal Ltd., Port Qasim
- Pharma King Industrial Company, Port Qasim
- Ibrahim Fibres Ltd., Port Qasim
- Siddique Sons (Pvt.) Ltd.
- Siddique Sons Tin Plant, Winder
- Bosicor Refinery Ltd.
- Siemens Pakistan
- BOC Pakistan Ltd. (Bin Qasim Plant)
- Bawani Gas
- Automobile Corporation of Pakistan
- Shakoor & Company
- China International Water & Electric Corp.
- PAF Base Faisal
- Mehran Sugar Mills

A.S INDUSTRIAL FINISHING CONCERN

Projects Summary:

ENGRO ENERGY 175MW POWER COMPLEX

CLIENT:	ENGRO ENERGY
CONTRACTOR:	CHINA NATIONAL CHEMICAL ENGINEERING CO. NO.11
CONSULTANT:	TCC
INSPECTION:	ENGRO ENERGY, CNCEC, TCC
JOB:	SAND BLASTING & TAPE COATING

Sub-Contractors on Qadirpur Engro Energy Power Complex. District Ghotki, Tape coating of underground pipe line for potable water and waste water. Pipe size of 18" and 14".

Approximate quantity 16551m²

Sand Blasting according to Sa 2.5, Glue Application and Tape Coating. Total thickness more than 1.4mm.

DESCON ENGINEERING (KARACHI MANUFACTURING WORKS)

CLIENT:	ENGRO, FTIMA FERTILIZER, BOSCOR REFINERY, BRITISH PETROLEUM, WEATHER FORD
CONTRACTOR:	DESCON ENGINEERING LIMITED
CONSULTANT:	DESCON ENGINEERING LIMITED
INSPECTION:	MOODY INTERNATIONAL, INSPECTEST, SGS
JOB:	FABRICATION, SAND BLASTING & EPOXY COATING

ASFIC has been associated with Descon Engineering Limited since February 2008 and working as a subcontractor for DESCON in their Karachi Manufacturing Workshop. Till now several projects have been completed like Structure for Pipe Racks, Shelters, Vessels and Storage Tanks etc.

G-2 Block 12 Bombiya Arcade Gullistan-e-Johar Karachi

A.S INDUSTRIAL FINISHING CONCERN

KICT PHASE III EXPANSION PROJECT

CLIENT: HUTCHISON GROUP
CONTRACTOR: CHINA HARBOUR ENGINEERING COMPANY LIMITED
CONSULTANT: SCOTT WILSON
INSPECTION: MOODY INTERNATIONAL
JOB: SAND BLASTING & EPOXY COATING

Worked as sub-Contractors on Karachi International Container Term – KICT Phase III Expansion Project for China Harbour Engineering Co. (CHEC). Scope of Work includes Surface Preparation and Coal Tar Epoxy coating of 2500 m² + Fire Fighting M.S. Pipes Sand Blasting according to Sa 2.5 with direct three coats of ICI Pakistan Coal Tar Epoxy C-200. Total Dry Film Thickness 450 microns

PAKISTAN NAVAL 5-14 BERTH REFURBISHMENT PROJECT

CLIENT: PAKISTAN NAVY
CONTRACTOR: CHINA HARBOUR ENGINEERING COMPANY LIMITED
CONSULTANT: NAVAL HEADQUARTERS ISLAMABAD
JOB: SAND BLASTING & EPOXY COATING

Presently working as Sub-Contractors on Pakistan Navy Refurbishment Project of Berth No. 5 to 14 for China Harbour Engineering Co. (CHEC). Scope of Work includes Surface Preparation and Epoxy coating of 14,500 + m² Deformed Steel Bars.

This contract is divided in to two phase with 7000m² of Deformed Steel Bar to be completed in each phase. Sandblasting is being done according to Sa 2.5 standard. Painting specifications were provided by Pakistan Navy.

A.S INDUSTRIAL FINISHING CONCERN

PRO GAS LPG TERMINAL

CLIENT:	PRO GAS PVT LIMITED
CONTRACTOR:	CHINA HARBOUR ENGINEERING COMPANY LIMITED
CONSULTANT:	SNC LAVALIN INTERNATIONAL
INSPECTION:	SNC LAVALIN INTERNATIONAL
JOB:	SURFACE PREPARATION AND EPOXY COATING OF PILING CASING / PIPES

We have successfully completed, with zero percent rejection of Epoxy Coating of 700 Micron DFT of Piling / Casing for the Jetty construction by China Harbour and Engineering Co. We have efficiently fabricated pipes of big diameters ranging from 14” to 108”, with variable thickness between 6mm to 28mm.

Our experienced staff makes it possible to fabricate the drawing with minimum wastage of material, and time.

GHANDARA NISSAN LTD (CAR PLANT)

CLIENT: ZARSCHOB (PVT) LTD

Scope of work:

1. Fabrication and Erection of Steel Structure.
2. Sand Blasting and Painting of Steel Structure

CKD STORAGE YARD FOR INDUS MOTOR CO LTD

CLIENT: INEGRATED ENGINEERING SERVICES

Scope of work:

1. Fabrication and Erection of Roof Trusses 3 Meters wide and 43 Meters long.
2. Sand Blasting and Painting.

G-2 Block 12 Bombiya Arcade Gulistan-e-Johar Karachi

A.S INDUSTRIAL FINISHING CONCERN

NOVATEX (PVT) LTD, LANDHI KARACHI

CLIENT: SEFEC ENGINEERING (PVT) LTD

Scope of work:

1. Fabrication, Erection, Sand Blasting and Painting of Storage Tanks.
 - a) Heavy fuel oil storage tanks.
 - b) Diesel oil storage tanks
2. Fabrication and Erection of Misc Steel Structure and Piping work.

GUL AHMED POWER PLANT KARACHI

CLIENT: SEFEC ENGINEERING (PVT) LTD

Scope of work:

1. Fabrication, Erection, Sand Blasting and Painting of storage tanks

PAF BASE FAISAL KARACHI

CLIENT: IMPERIAL COMMERCIAL CO

Scope of work:

1. Fabrication of underground fuel storage tanks.
2. Sand Blasting and Epoxy Coating for Aviation fuel.

INTERNATIONAL INDUSTRIES LTD

CLIENT: INTERNATIONAL INDUSTRIES

Scope of work:

1. Fabrication & Erection of Over Head Cranes & Runners.
2. Refurbishment (Dismantling & Installation) of Pickling Plant.
3. Sand Blasting and Epoxy Coating.
4. Isolation of Ducting.

G-2 Block 12 Bombiya Arcade Gulistan-e-Johar Karachi

A.S INDUSTRIAL FINISHING CONCERN

I. PURI TERMINAL LTD PORT QASIM

CLIENT: I. PURI TERMINAL LTD

Scope of work:

1. Sand Blasting an Epoxy Coating of Storage Tanks (Edible Oil).
2. Tank Cleaning and preparation for next cargo.

PHARMA KING INDUSTRIAL COMPANY PORT QASIM

CLIENT: PHARMA KING INDUSTRIAL CO

Scope of work:

1. Fabrication and Erection of Steel Structure.
2. Sand Blasting and Painting of Steel Structure.
3. Maintenance, Erection of Reactor Vessels and Centrifuge.
4. Maintenance of Gear Boxes, Agitators, Pan Filters, Receivers and Vacuum Pumps.

IBRAHIM FIBERS LTD., PORT QASIM

CLIENT: IBRAHIM FIBERS LTD

Scope of work:

1. Refurbishment of MEG Storage Tank # 1 & 2.
2. Protective Coating of Steel Structure.

SIDDIQUE SONS (PVT) LTD

CLIENT: SIDDIQUE SONS (PVT) LTD

Scope of work:

1. Sand Blasting inside of Pipe Line.

A.S INDUSTRIAL FINISHING CONCERN

SIDDIQUE SONS TIN PLANT WINDER

CLIENT: SIDDIQUE SONS TIN PLATE PLANT WINDER

Scope of work:

1. Sand Blasting and Painting of Storage Tanks.
2. Heavy Generators installation.

BOSICOR REFINERY LTD

CLIENT: SIEMENS PAKISTAN

Scope of work:

1. Fabrication, Erection of Steel Storage Tanks.
2. Sand Blasting & Epoxy Coating of Steel Storage Tanks.

LPG KUNNAR TANDO JAM

CLIENT: SIEMENS PAKISTAN

Scope of work:

1. Sand Blasting & Epoxy Coating of Steel Structure Pipe Line.

BOC BIN QASIM

CLIENT: SIEMENS PAKISTAN

Scope of work:

1. Sand Blasting & Epoxy Coating of Pipe Line.

A.S INDUSTRIAL FINISHING CONCERN

BAWANI GAS

CLIENT: BAWANI GAS

Scope of work:

1. Sand Blasting & Epoxy Coating of Pipe Line.
2. Sand Blasting & Coal tar Coating of underground pipe line.

AUTO MOBILE CORPORATION OF PAKISTAN

CLIENT: AUTO MOBILE CORPORATION OF PAKISTAN

Scope of work:

1. Sand Blasting & Internal Epoxy Coating of Aviation Fuel Carriers.
2. Sand Blasting & Epoxy Coating of Drinking Water Carrier for UNO.

SHAKOOR & COMPANY

CLIENT: SHAKOOR & COMPANY

Scope of work:

1. Sand Blasting & Internal Epoxy Coating inside of barrels for haulage of Caustic Soda to Engro Polymer and Chemical Ltd, and barrels required for haulage of JP8 fuel to Pakistan Air Force.
2. Sand Blasting & Painting of Epoxy Coating inside the Hauler Barrels and also fabrication of stainless steel tanks for haulage of Paraxylene and Acetic acid to PPTA Ltd.

A.S INDUSTRIAL FINISHING CONCERN

CHINA INTERNATIONAL WATER & ELECTRIC CORP

CLIENT: CHINA INTERNATIONAL WATER & ELECTRIC CORP.

Scope of work:

1. Fabrication, Welding of spud poll pipe joints Diameter thickness 40mm of dredging ship at shipyard.

PAF BASE FAISAL

CLIENT: KSB PUMPS

Scope of work:

1. Pipe line installation welding diameter 8 inch, 4 km.

MEHRAN SUGAR MILLS

CLIENT: MEHRAN SUGAR MILLS

Scope of work:

1. Design, Drawing, Fabrication of Lighting Poles 60ft Height.

AISHA STEEL MILLS Ltd

CLIENT: AISHA STEEL MILLS

Scope of work:

1. Sand Blasting & Epoxy Coating of Steel Structure Pipe Line.

S S J D GROUP

Scope of work:

1. Sand Blasting & Epoxy Coating of Steel Structure Pipe Line and tanks.

Machinery, Tools & Equipments:

1. Welding Machine with Complete (500Amp)	32 Nos.
2. Argon Welding Set	06 Nos.
3. Disc Grinders 9", 7", 4"	20 Nos
4. Scaffolding Pipes	10,000 Rft
5. Gas Cutting Sets	20 Nos
6. Electrode Desiccators	05 Nos.
7. Electrode Owen	02 Nos.
8. Diesel Electric Generator 25KVA	02 Nos.
9. Plate Rolling Machine for plates up to length of 10 ft and thickness up to 12mm	02 Nos.
10. Chain Blocks 1 to 5 tons	10 Nos.
11. Hydraulic Jacks 5 to 50 tons	05 Nos.
12. Hand Tools Complete	02 Nos.
13. Welding Generator	02 Nos.
14. Redial Drill Machine	01 Nos.
15. Auto Gas Cutting Sets	03 Nos.
16. Pipe Threading Dies	04 Nos.
17. Mobile Air Compressor 670CFM (Diesel Operated)	02 Nos.
18. Mobile Air Compressor 390CFM (Diesel Operated)	04 Nos.
19. Sand Blasting Hoppers	08 Nos.
20. Sand Blasting Hose	1000RFT.
21. Air Less Painting System	04 Nos.
22. Sheet Insulation Tools	02 Nos.
23. Coating Wrapping Tools	02 Nos.
24. Hydro Testing Pump	02Nos.
25. Dewatering Pumps	04 Nos.
26. Profile Gauge (ELKO METER)	02 Nos.
27. Dry Film Thickness Gauge (ELKO METER)	02 Nos.
28. Wet Film Thickness Gauge	10 Nos.

A.S INDUSTRIAL FINISHING CONCERN

29. Surface Temperature Meter rang up to 300C	02 Nos.
30. Jack Hammer pneumatic	04 Nos.
31. De Sledging Pump	02 Nos.
32. Pipe Beveling Machine	01 Nos.

Services Profile:

FABRICATION & INSTALLATION

- Pipe Line Laying
- Plant Erection
- Steel Structure Erection
- Steel Storage Tanks, Vessels & Heat Exchanger

SAND BLASTING

- Sand
- Silica
- Copper Slag Grit
- Garnet
- Steel Shots
- Glass Bead

INDUSTRIAL COATING

- Epoxy Coating
- Fiber Coating
- Bitumen Coating
- Tape Wrapping
- Floor Coating
